A HUGE “Thank You” to Our UH Residents
For participating in the 2022 UH Tenant Satisfaction Survey!
Your feedback was critical to evaluate performance measures and improve quality of housing services for Naval Station Everett and all CNRNW UH residents!

BARRACKS BASH 2022

SUMMER SAFETY TIPS
- Don’t swim alone, know your limitations and capabilities
- Even if it’s hot outside, mountain-fed lakes and rivers here in the Pacific Northwest can remain very cold, hypothermia can set in within one hour
- Alcohol and sun can cause dehydration, practice caution if you begin to feel extremely thirsty, dizzy or fatigued
- According to the USCG, alcohol use was the leading factor in 18% of boating deaths
- Always let someone know where you are going and how long you will be gone
- Check out the Paddleboard, Canoe, and Kayak safety briefs on navylifepnw.com

**Man, it’s hot!** With summer comes warm weather and sometimes you want to open the windows. This is OK in Bldgs. 2026, 2027 and 2028, however, Bldg. 2029 has an air cooling system that fails to work effectively when windows are left open; so please keep your windows in Bldg. 2029 closed at all times. Each room is equipped with fans that help in circulating cool air in the room. If you do not have a fam, please contact the front desk at 425-304-3111.

**Bicycle Registration is necessary!** Bicycles left in the bike storage/rack of the UH must be registered at the front desk. A BH sticker that must be affixed to the bicycle will be issued to the owner. Owner must notify the front desk should there be a transfer of ownership.

**Are you ready to check out? Are you sure?** A resident requesting for a check out appointment will be given a “Check Out Inspection Checklist” and will be advised to ensure that each and every item on the checklist is completed. Following the checklist will avoid the chance of failing the final inspection. A resident who is ready for the final check out inspection must report to the front desk with the completed check out inspection checklist and meet the building manager who will be conducting the final inspection.
