# ENJOY COMFORT, CONVENIENCE & SECURITY at Naval Station Everett's PREMIER MARINA

The Naval Station Everett Marina is a private mooring facility boasting a variety of services for all authorized DoD boating enthusiasts.

Located within the grounds of Naval Station Everett in the inner harbor, the Marina is a perfect place to furl your sails and tie up for a night or longer.

The Marina offers year-round moorage and can moor various-sized vessels in the 82 slips. Slips are 26, 30, 36 and 40-plus ft.

*PLEASE NOTE: Living aboard is not authorized.*

The Marina is three hours closer to the spectacular San Juan Islands than most Seattle-area marinas, and close to many other Puget Sound attractions such as Vashon Island, Blake Island and downtown Seattle, making it the perfect home base for your long-term stay or boating vacation. The city's public boat launch is one mile north of the marina.

We cordially invite you to come and visit the marina soon. We know you will meet new friends and find a wonderful community spirit among other military boaters!

## SAILOR'S CHOICE MARINA

The marina consists of 82 slips of varying length. Amenities include:

- Sheltered harbor
- Access-controlled gate
- Pump-out station
- Basic utilities
- Waste-management services
- Potable water
- Individual dock box per slip
- Marine oil disposal tank
- Pets on a leash are allowed
- Guest moorage available with advance reservation

## SAILOR'S CHOICE VEHICLE/ RV STORAGE

The vehicle storage at Smokey Point features over 200 spaces with automated gate access. It is conveniently located next to the NEX, Commissary, and NEX AutoPort. It is great storage for West Sound residents who wish to avoid expensive ferry costs for RVs and trailers.
