Summer Is Here!!!

Your Fleet and Family Readiness (FFR) Programs offer classes, programs, outdoor recreation outings, and other activities. Check out Experience Navy Life Magazine in your lobby area for listings, upcoming events and other information.

"Whether your interests lead you toward book clubs or camping, FFR has it all!"

Jennifer Foster, NSE FFR Director

2021 UH Crystal Award Winner

A big "Thank You!"

to all our residents who took the time to participate in our recent Tenant Satisfaction Survey. Below are some of actions we have taken in response to comments received from the survey.

- ✓ New TV tables delivered in 2028 the week of June 21st
- ✓ Drop lid knobs installed in 2028
- ✓ Arcade games and corn hole game sets purchased
- ✓ Hand sanitizers on elevator landings
- ✓ Fans provided in all rooms
- ✓ Air coolers available for extreme conditions

TSS Survey Winners!

As temperatures around the state continue to climb and you are enjoying outdoor activities like picnicking, hiking, and camping, please be mindful of any activity that could accidentally spark a wild-fire.

Before lighting any fire, please check with local and state authorities first::

NSE UNACCOMPANIED HOUSING NEWSLETTER

Be Informed

Be Informed (page 2)

Welcome to our new UH Complex Manager
Mr. Glenn Michael Delacruz

We also welcome the following UH Staff:
CS2 Hall, GSM3 Martinez, CTT3 McElroy, ABH2 Schuster
and DC3 Tate

We will miss: ABF1 Williams-Lemes who will be reporting
to USS THEODORE ROOSEVELT

How to Clean Vacuum Cleaners

1. Disconnect cleaner from electrical outlet.
2. Remove dirt cup/container by pulling handle and empty into the trash can.
3. Remove filter and clean into the trash can.
4. Replace clean filter and dirt cup/container into correct locked position.
5. Use scissors or your fingers to remove any hair or string that is wrapped around the brush.

NOTE: Please pick up pens, coins (and other metals) and pieces of paper instead of vacuuming them. They will cause the vacuum cleaner to malfunction. Please see UH Staff if you have any questions or need help on vacuum cleaner maintenance.

UH Policy Violations

*Do the right thing,
follow the rules!*

Bldg.	Violation	Consequence
2029	Unattended running faucet	Counseled
2029	Unauthorized civilian guest	Counseled
2029	Unauthorized civilian guest	EMI
2027	Unsecured alcohol	Counseled
2028	Unauthorized civilian guest	Under investigation
2029	Unauthorized civilian guest	Removal

See something? Say something!

As agreed and signed upon check-in, all residents "MUST" immediately report to UH staff of any suspicious activity or unauthorized items and/or personnel in the UH property. Resident Advisors are also available if needed. Know your RA. **You may be held liable if you know of violations and did not report it.** You may be found as guilty as those violators if you don't report their wrong doing.

Indoor / Outdoor Fun!!

Did You Know?

One of the main reasons we have flooding in the UH is clogged pipes caused by residents flushing paper towels, wipes, feminine hygiene products, other non-flushable items, and even dental floss down the toilet. **Fun fact:** Flushable items are not really flushable! The more durable the material is the more likely it is to clog. If you're flushing paper towels you're running a bigger risk than with toilet paper. And if you're flushing wipes—even flushable wipes—the chance of a clog goes up. Once stuck, toilet paper or wipes create a blockage. Other things catch on, and next thing you know you've caused a flood in the building.

It really does get hot in Washington?! To keep you cool throughout the summer, we made sure that each UH room has a tower fan. If you don't see one in your room please notify your Building Manager or the Front Desk. B/2029 has a centralized air cooling system. Rooms should maintain 70-74° F automatically all year round. You must, however, **keep your windows closed** to help maintain these temperatures and our energy usage. B/2026/2027/2028 do not have a centralized air cooling system. Room temperature is maintained at 68-70° F. You may adjust your thermostat as open your windows as needed, but please close them when the room cools off and before leaving your room. If you feel that your room is too cold or too hot contact the Building Manager or Front Desk for assistance.

Are you ready to check out?, Are you sure? A resident requesting a check out appointment will be given a "Check Out Inspection Checklist" and will be advised to ensure that each and every item on the checklist is completed. Following the checklist will avoid the chance of failing the final inspection. A

resident who is ready for the final check out inspection must report to the Front Desk with the completed check out inspection check list and meet the Building Manager, who will be conducting the final inspection.

Guest Policy Update. Installation Commanding Officer, CAPT Davis lifted restrictions on civilian guests. Reminder: overnight guest are not allowed in the UH.

Empty alcohol bottles may not be displayed as trophies. Also, if you have a roommate that is underage, your alcoholic beverages must be locked when you are not in your assigned room.
