

Summer 2018
Edition

WE WANT
YOUR FEEDBACK

Navy
Housing

Stop by the UH Office and fill out a CIS or submit one online at: <https://www.surveymonkey.com/r/9D5MZ25>. It only takes a few minutes and helps us improve the UH services we provide. Provide your feedback, your opinions matter.

See something? Say something!

As agreed and signed upon check-in, all residents "MUST" immediately report to UH staff any suspicious activity or unauthorized items and or personnel in the UH property. Resident Advisors are also available if needed. Know your resident advisor.

We have different events, functions & group meetings going on offered to all our residents. Come check out our bulletin boards placed throughout the barracks to find out what's happening.

WELCOME TO YOUR NEW HOME, USS R JOHNSON RESIDENTS!

Unaccompanied Housing Staff happily greeted and assisted new residents from the newly arrived DDG. The lobby was set up to readily accommodate the much anticipated mass check-in that was coordinated between Chief Santana and Mr. Cui. USS R Johnson is the last of the 4 new DDGs homeported in Naval Station Everett.

WELCOME BACK, USS SAMPSON RESIDENTS!

After a 7 month long deployment, UH Staff welcomed the residents with a smooth process of mass check-in. UH staff coordinated with their RA, OSC Furr, who ensured that paperwork and room assignments for the new residents were complete that made the mass check-in painless for their sailors.

A big THANK YOU to all our residents who have contributed greatly to the energy conservation program, mainly for keeping the windows in Bldg. 2029, closed at all times! Your effort helped Naval Station Everett in earning the "2017 Secretary of the Navy Energy and Water Management Award" for Navy small Installations. Mr. Max McAllister, the Installation Energy Manager, expressed his appreciation and attended the Resident Advisors' meeting to get input/suggestions from the Resident Advisors as to how the sailors may benefit from the \$25K award.

Welcome new RA's:
CSC Pasco, LSC Sediego, HM1 Hammond, QM1 Espinoza, CS1 Diaz, AZ1 Mayfield, STGCS Tamayo and FCACM Vizza.

Welcome to our UH Staff:
CS1 Christensen, ABH2 Dopp, SC1 Yackle, GSM3 Garcia, CS1 Torres, and ABH2 Lane

Have a maintenance request to turn in? You can do it wherever and whenever as long as NavyLifePNW is downloaded on your phone. The link for maintenance request is easily accessible on this website. To help expedite your request, please put full details of the problem you are experiencing, ie., "the toilet handle is stuck on the down position," instead of "the toilet handle is broken."

There are three different ways to submit a maintenance request?! 1. Visit [www.navylifepnw.com/Housing/UnaccompaniedHousing/Barracks Maintenance Request](http://www.navylifepnw.com/Housing/UnaccompaniedHousing/Barracks%20Maintenance%20Request); visit the front desk in Bldg. 2029; or call 425 304-3111.

Be Informed

Be Informed (page 2)

One of the main reasons why we have flooding in UH is clogged up pipes caused by residents flushing paper towels, wipes, feminine hygiene products, even dental floss, and other unflushable items? Fun fact: Flushable items are not really flushable! The more durable the material is, the more likely it is to clog. If you're flushing paper towels, you're running a bigger risk than with toilet paper. And if you're flushing wipes – even flushable wipes – the chance of a clog goes up. Once stuck, toilet paper or wipes create a blockage. Other things catch on, and the next thing you know you're causing a flood in the building. What more, if a few flushed wipes can cause a problem for our building, then this only becomes additive for municipal systems and believe it or not, this problem has been borne out in sewer systems around the world.

It does get really hot in Washington?! To keep you cool throughout the summer, we made sure that each room in UH has a tower fan. If you don't see one in your room, please notify your building manager or the front desk. Building 2029 has a centralized air cooling system and rooms should maintain 70-74 degrees F automatically all year round. You must, however, **Keep your windows closed** to help maintain these temperatures and our energy usage. Building 2026, 2027 and 2028 do not have a centralized air cooling system and room temperature is maintained at 68-70 degrees F. You may adjust your thermostat as needed and may open your windows, but please close them when room cools off and before leaving your room. If you feel that your room is too cold or too hot, contact the Building Manager or Front Desk for assistance.

You may be held liable if you know of violations and did not report it? Do the right thing because it is the right thing to do! You may be found guilty of those violators if you don't report their wrong doing.

**ATTENTION
PLEASE**

Check-Out Procedures:

All residents must schedule a pre-inspection prior to departure to help determine required cleanliness to pass the final inspection, and to help identify any issues that may be corrected before checking out. Remember, all residents in a unit with common living room and kitchen area are responsible for its cleanliness.

RESIDENT RECOGNITION

The UH Recognition Program is designed to recognize the efforts of residents and their exemplary adherence and action that contribute to the UH's overall mission.

Residents of the Month received a Letter of Appreciation from Captain LaKamp, NSE Commanding Officer.

The Residents of the Month are

Jan 2018 winners are D. Bruynell, J. Gallon, and C. Raymond for their respective areas.

Feb 2018 winners are C. Coles, A. Brundige, and A. Reed for their respective areas.

Mar 2018 winners are K. Julian, M. Tverberg, and T. Ashley for their respective areas.

Drumroll Please!

And the Resident of 2nd Quarter, FY18, is T. Ashley.

We appreciate your extra efforts!
Exceptional!

Congratulations to all our Resident Recognition Program winners, your extra effort and support of the UH program are outstanding and appreciated by your leadership and the UH staff.

T. Ashley was assigned a parking space closest her building for the quarter along with a Letter of Appreciation and a MWR Coupon Booklet.

Resident Recognition Program Nomination Forms are available at the office in building 2029. Nominations are due on the first work day of each month. Please call (425) 304-3117 or visit the Unaccompanied Housing Office for more information.

Calling all new residents!!! New Residents "Mandatory" Indoctrination is being held every 2nd Wednesday of the month, in the conference room of building 2029. This indoctrination includes SAPR training as well as information on building amenities, safety, energy, the recycling program, and tips in passing room inspections. New residents must complete this training within 30 days of check-in.

Empty alcohol bottles may not be displayed as trophies! Also, if you have a roommate that is underage, your alcoholic beverages must be locked when you are not in your assigned room.
