Community Message

Residents will receive a "Mock Bill" for several months prior to the live billing cycle. This will allow residents the opportunity to measure and adjust their energy consumption behavior. "Live Billing" will begin on Apr. 1, 2013 for all CNRNW installations, with first bill mailed on May 15, 2013. At this point, residents will be responsible for payment or receive a credit for below average usage. For more information, visit www.navylifepnw.com/site/451/Housing-RECP.aspx

Account Detail
