Earn this set of collectible medals as part of our 2021 Virtual Run Series, sponsored by GEICO Military.
MESSAGE FROM THE FFR DIRECTOR

Summer is here in the Great Northwest and we’re all looking forward to some fun in the sun. We continue to re-open more and more of our programs and services. Trips, outdoor recreation outings, and exciting new classes are coming back through Community Recreation and LIBERTY programs. The All American Restaurant now offers new menu items and outdoor seating. And our Child & Youth Program is participating in iRead, which encourages kids to keep reading all summer long.

See our event listings starting on page 6 for details on these and many more safe and fun special events such as our Party in the Parking Lot Summer Picnic, Great Navy Campout, and Sports and Fitness activities.

Our Family Readiness staff is here for you all summer long as well. They offer in-person classes, virtual training and many special activities that will strengthen you and your family. See page 22 for details.

And don’t forget our Navy Getaways locations at Jim Creek and Pacific Beach. They are open to serve you with a wide variety of outdoor recreational opportunities, including camping, fishing, boating, hiking, and other family-friendly and team-building activities. Jim Creek is the Navy’s best spot for experiencing the forests of the Pacific Northwest, located east of Arlington, in the foothills of the Cascade Mountains. How about a weekday getaway with the kids at Pacific Beach? I’m sure you’ve missed putting your toes into the sand and watching a Pac Beach sunset as much as I have! See page 15 for upcoming events including the next Glass Float Frenzy that’s sure to become a family favorite.

Whether your interests lead you toward book clubs or camping, FFR has it all! We look forward to being a part of your summer adventures.

Jennifer Foster
CNRNW N9 | FFR Director
Naval Station Everett

Capt. Mike Davis, Commanding Officer at Naval Station Everett (right), helped FFR team members raise awareness for National Child Abuse Prevention Month.

The Month of the Military Family Drive-Thru event attracted a line of cars. Volunteers connected each participant with a goody bag filled with FFSC resources.
Glass Float Frenzy participants show off their finds. This family-friendly event is very popular with guests at Navy Getaways Pacific Beach.

LET'S TAKE IT OUTSIDE

Get outdoors with MWR’s Community Recreation Program and see what the Great Northwest has to offer!
The Great Northwest has a reputation for being cold, dreary and rain-soaked, which is perfectly fine with the locals who’d prefer to keep the area’s stunning beauty all to themselves. The truth, however, is quite the opposite. Thanks to higher latitude and longer days, Great Northwest summers are filled with seemingly endless sunshine. Those in the know spend their weekends soaking up the scenery, wading through fields of purple, yellow and red wildflowers or hiking up the deep greens and ambers of the forest floor to a bird’s-eye view of the Puget Sound, where the blue gradient water becomes one with the horizon.

There’s no better time than now to discover the many hidden gems this area has to offer. Your installation MWR program stands ready to reveal some of Washington’s best kept secrets through guided tours and expert advice. Check out these top tips!

VISIT A NATIONAL PARK OR STATE PARK FOR FREE

Washington State is home to Olympic National Park, the iconic Mount Rainer National Park, and the North Cascades National Park, to name a few. The National Parks Service “America the Beautiful” pass allows nature lovers access to these and 2,000 other federal recreational areas for entire year for just $80. Active Duty Service Members, Veterans and Gold Star Families can get this fee waived entirely simply by requesting a special military pass. For details, visit www.discoverpass.wa.gov.

Washington State is also home to more than seven million acres of managed recreation lands including campgrounds, parks, wildlife areas, trails, natural areas, wilderness areas and water access points.

You can access any Washington State Park, Department of Natural Resources site and Department of Fish and Wildlife trailhead by purchasing an annual Discover Pass for just $30. For details, visit www.discoverpass.wa.gov.

For extra savings, consider planning your trip around the National Park Service Birthday on Aug. 25 and National Public Lands Day on Sept. 25. All entry fees are waived on these days.

TAKE ADVANTAGE OF NAVY GETAWAYS

Washington is home to three Navy Getaways locations, each with its own unique flair and pristine surroundings. These Navy-operated facilities are designed to make leisure travel and outdoor adventure more accessible to military families by offering clean and comfortable accommodations at affordable rates. See page 14 for details on this amazing benefit available to eligible personnel.

DISCOVER LOCAL DEALS AND DELIGHTS

No matter what your skill level is, Cara FitzGerald, Naval Station Everett Community Recreation programmer, will help you find the perfect fit. Here are her top picks for the summer:

1. Jim Creek Recreation Area in Arlington
   They have easy hiking trails for kids to more challenging trails that go through some of the last of the Old-Growth Forests in the Cascade Mountains.

2. Goat Lake in Darrington
   Don’t let the 10-mile round trip discourage you. The going is fairly easy, and it’s a great place to bring the kids.

3. Kayak Point Park in Stanwood, situated on the shore of Puget Sound
   There’s something for everyone. It has a yurt village, boat launch, a rocky Pacific Northwest beach, or trails with cliffside viewpoints and beautiful evergreen forests. It’s a perfect place to spend a day or camp for a weekend!

4. Centennial Trail
   This 30-mile paved recreational trail for walking and biking starts in Arlington and ends in Snohomish. It also used to be part of the former Burlington-Northern railroad line!

To learn more, feel free to contact Cara FitzGerald and her teammates at the Outdoor Recreation Center located inside The Commons.

DON’T KNOW WHERE TO START?

Contact your ship’s Fun Boss or your installation MWR Community Recreation Center for planned group trips, equipment rentals or for ideas and advice for exploring on your own. For instance, at the time of publication, visitors to National Parks are still expected to wear a cloth face covering outdoors when social distancing (6 feet) cannot be maintained. Visitors are also advised to consider the “10 essentials,” before embarking on an outdoor adventure.
